POLICY

1. School profile

Taylors Lakes Primary School was established in 1989 and is located approximately 40 kilometres north of Melbourne. We have approximately 700 students enrolled from Foundation to Grade Six and approximately 70 school staff members including a school nurse and a wellbeing coordinator.

Our school grounds are located in Taylors Lakes, and we are surrounded by a supportive community. Taylors Lakes Primary School has developed close ties to the local community and enjoys support from our local shops and community services.

Our school is culturally diverse with a high proportion of families having a language background other than English (LOTE), with the largest LOTE groups being Vietnamese, Samoan and Punjabi. The school also has a small representation from the Koorie community. We are proud of our diversity and inclusive school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Taylors Lakes Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at: <https://www.tlps.vic.edu.au/page/160>
