Newsletter # 1

29/01/2021

Dear Parents,

Welcome to a new school year. The school was really settled yesterday and I am looking forward to a great year.

Flexischools

Can I please ask that all parents download Flexischools and Seesaw on your phones? We communicate predominantly through these platforms and we want to ensure that we are communicating effectively with all parents. This is the only paper copy of the newsletter that we will distribute for the year.

Hats

Please ensure that your child has a suitable school hat to wear in term 1. If your child is not wearing a suitable hat they will be asked to play under cover.

Book Packs

Book packs can be purchased from the office or online. If any family needs assistance to purchase these book packs please contact Mrs Street in the office area.

CSEF

If you have a health care card you are eligible to apply for CSEF funding. This funding helps families pay for camps and excursions. Please come to the office to apply for CSEF.

Student Leadership

I would like to congratulate Mia and George who are our school captains. I would also like to congratulate Arianna and Daniel who are our school vice captains. Students will be invited to nominate for our student leadership team and house captain and vice captain positions. I would like to wish everyone the best of luck. It is important to remember that not all applicants can be successful but it is important to do your best and have a go.

Parents In School

Parents are welcome to walk children into the school. I think it is especially important at the start of the year. However I think as the term progresses it would be great if students are dropped off at the gates and they walk to their classroom. Last year showed that the kids thrived with additional independence. I also would like to remind parents that we strongly encourage social distancing at our school. Lastly school assemblies for the time being will be for students only and take place straight after lunch on a Friday afternoon. Students will be dismissed from their classrooms on Friday.

Regards Chris
