

# Installing Pre-Foundation on Flexischools

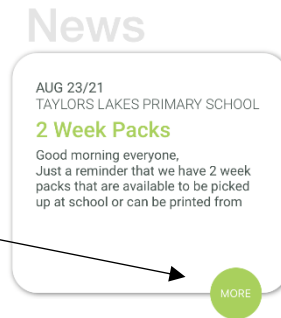

Flexischools is our main form of communicating with parents. It is important for every parent at our school to have the app on their phone.

After installing the app, create an account. Then select Taylors Lakes Primary School. Select class “Prep” and enter your child’s details. In order to get transition information you need to also be in the ‘Pre Foundation’ group.

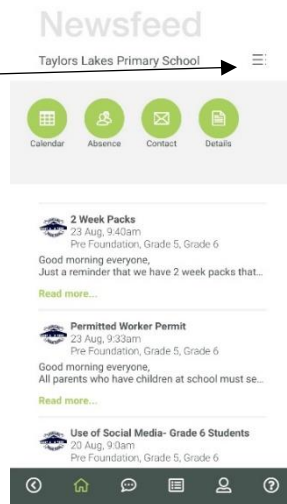

1. Click the home icon at the bottom.

2. Scroll down until you find the News from Taylors Lakes Primary School. Click the green ‘More’ button.

3. Click the 3 lines at the top.

4. Add ‘Pre Foundation’.

You will now get notifications for Pre Foundation and the whole school.
