A message from the Principal

Dear parents,

We have got to the final two weeks of term 2. Our children are doing well in class and remain focused on their learning.

Important Dates

Please note down these important dates for the second half of the year.

- Book Week Parade August 18
- Father's Day Stall September 4 and 5
- Father's Day Open Classroom Afternoon September 4
- School Disco October 17
- Christmas Concert and Fete December 5

Parent Forum

I will have to postpone our parent forum until next term. I was hoping to go through our NAPLAN data among other things with parents but unfortunately we have not received any updated data as of yet. We will run a forum in early term 3.

School Tours

I am amazed at how many school tours for 2026 I am already completing. If you are an existing parent at our school all you need is to come to the office and pick up an enrolment form for a younger sibling to be enrolled. For all new prospective parents, we ask that you call the school on 9390 3388 and book a time for a school tour.

Principal	Chris Seviar

Farewell and See You Later

Our gardener/ maintenance man Laurence Jackson will be retiring this week. Laurence has been simply amazing at our school for over fifteen years. I would like to thank him for all of his hard work and wish him all the best in his retirement. I also want to wish Ms Marriott all the best as she will be beginning her maternity leave next week. Ms Marriott has been an amazing grade 6 teacher and has done a wonderful job developing our library program. She will be greatly missed by staff and students.

Christmas Stalls

Our school is investigating have a Christmas fete this year. We are looking for interested stall owners. If you or you know anyone who may want to run a stall at our fete please email our school at taylors.lakes.ps@education.vic.gov.au. Our fete would be on a Friday afternoon and would run predominantly out of school hall and basketball area.

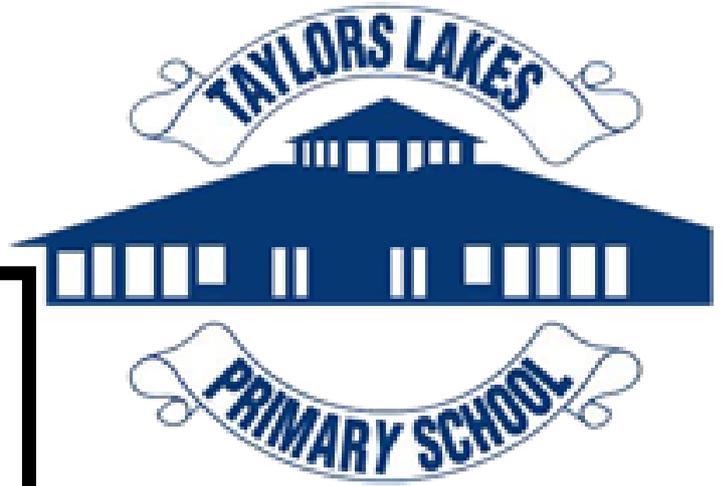

Photos

School photos will be sent home on Monday. The children will no doubt look fantastic while the Principal has a head suitable for radio!

Recharge

I will not be around the school much in the next couple of weeks. I have a few meetings outside of school and I will also be taking some leave. Please see Mrs Sanford or Mrs Street in my absence. I am sure the school runs better without me.

Regards Chris.

P

2D SHAPES

THIS WEEK, 1LG HAS BEEN LEARNING ABOUT 2D SHAPES! AS A PART OF THEIR LEARNING, THE STUDENTS MADE A SHAPE MONSTER THAT INCLUDES A VARIETY OF DIFFERENT 2D SHAPES.

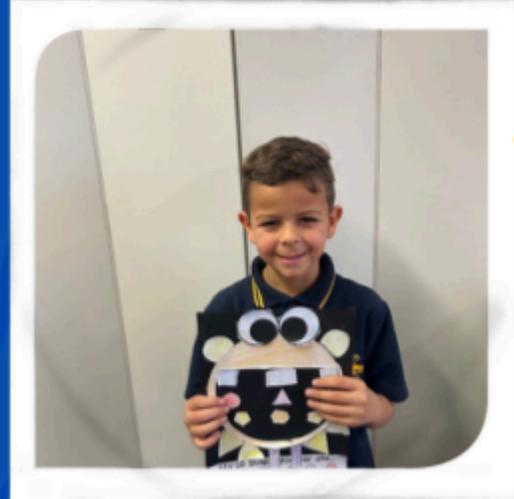

Grade 1KG have made the most amazing shape monsters!

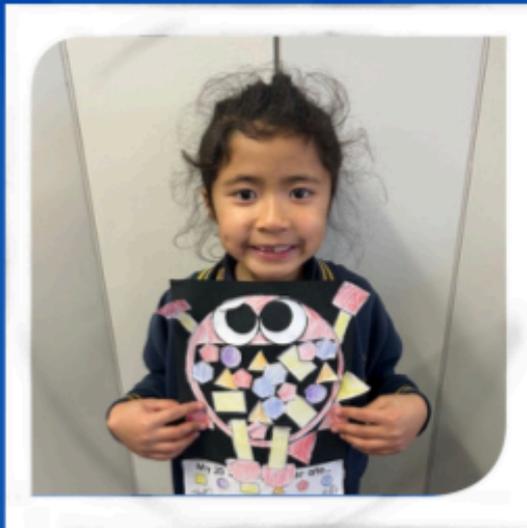

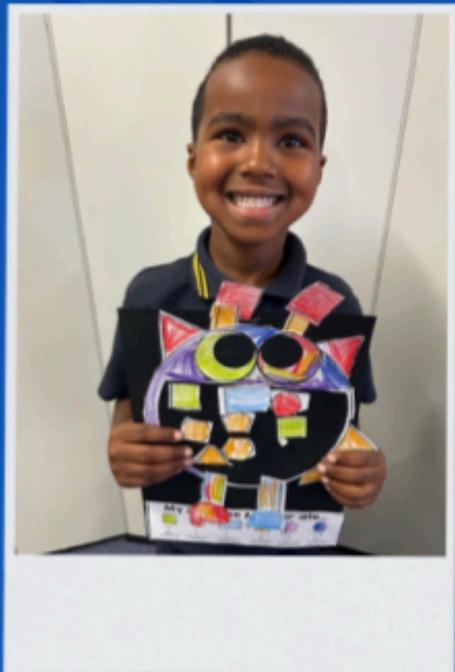

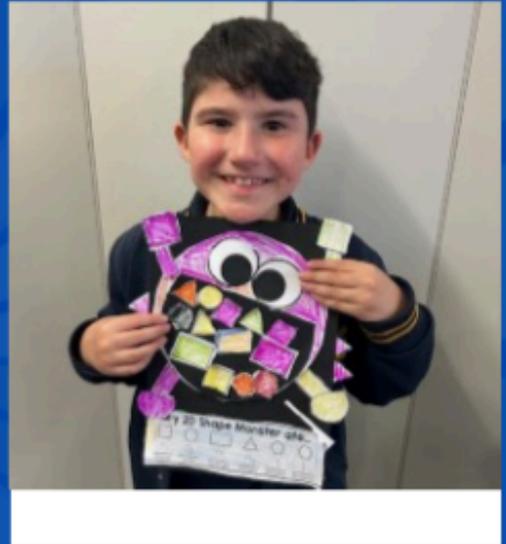

Shape Monster

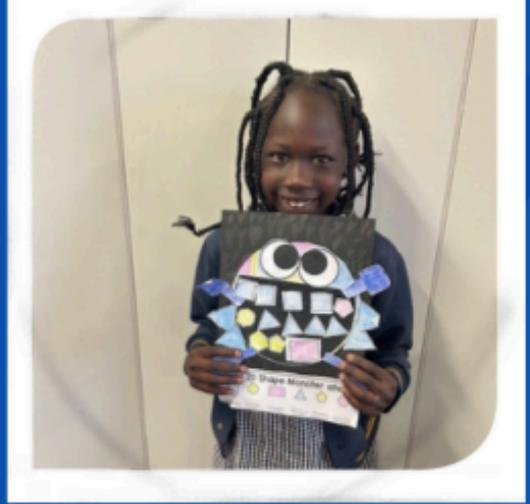

fun in TCK!

We have been using our prior knowledge on 2D shapes and our new skills to create shape monsters!

GRADE IIV

Numeracy - 2D Shapes

In numeracy, we have been learning about how to identify 2D shapes and explain their features. We created 'Shape Robots' to show our learning!
